Describe any previous farming or gardening experience you have had, paid or unpaid.

What are your reasons for wanting to spend a season on an organic farm? What do you hope to gain from your time spent here?

Do you have any allergies, food restrictions or physical limitations that might impact your ability to live in a rural setting and do physical labor in hot humid weather?

Animals are an invaluable part of our fertility program, how do you feel about farm animals and working with them?

Describe what sparked your interest in sustainable agriculture and tell us what skills you will contribute to our Farm during your stay.

Farm work is physically demanding and requires strong will and perseverance. How have you challenged yourself to achieve high levels of performance in previous situations? Have you ever quit anything? If so, what and why?

Please list 2 character references and their relationship to you:
